

InterApresAuth

```
graph BT; CtrlAprAuth --> InterApresAuth
```

A diagram illustrating a class inheritance relationship. At the top is a gray rectangular box labeled "InterApresAuth". Below it is a white rectangular box labeled "CtrlAprAuth". A blue arrow points vertically from the top center of the "CtrlAprAuth" box to the bottom center of the "InterApresAuth" box, indicating that CtrlAprAuth inherits from InterApresAuth.

CtrlAprAuth
